McGill Smith Punshon, Inc. Welcomes New Landscape Architect

McGill Smith Punshon, Inc. (MSP) is pleased to announce that Mr. Daniel J. Frank, Landscape Architect, has recently joined MSP's Landscape Architecture and Planning department. Mr. Frank has over 15 years of experience in the design profession; providing his expertise on a wide variety of projects. These include campus master planning and design, single and multi-family planning and design, commercial site design and residential master planning and installation. Mr. Frank has been honored with two awards presented at the Cincinnati Flower Show by the Cincinnati Horticultural Society, including *Outstanding Horticultural Achievement* and the *Most Distinctive Display* for a garden. Dan was also featured in an article for the *Cincinnati Enquirer* regarding his design of the Children's Play Garden at the Ronald McDonald House.

With a 150-year history in the Cincinnati region, MSP is a diversified consulting firm providing planning, architectural design, civil engineering, surveying, landscape architecture and facilities planning services to educational, public, private, institutional and non-profit sectors.
