McGill Smith Punshon, Inc. Names New Associate

McGill Smith Punshon, Inc. (MSP) is pleased to announce that Rick Nichols, P.S., the Manager of Surveying Services, has been named an Associate.

Rick Nichols is part of the very spirit of MSP, with a 23 year history with the firm. Rick leads the efforts of the survey department's field services, while maintaining project management responsibilities for many of the projects. His ability to satisfy clients has helped him to establish relationships with many of the area's leading contractors, lawyers, title agents and developers. Creativity and flexibility have also allowed Rick to collaborate with other consultants, creating new opportunities for the firm.

“Rick’s leadership and project management skills have enabled MSP to provide professional surveying services on many of the area’s most high profile projects,” says Steve Roat, the President of MSP. Some of Rick’s recent notable projects include: The Great American Ballpark, The National Underground Railroad Freedom Center, The West Chester Health Alliance Hospital, Paul Brown Stadium, Xavier University and Tri-County Mall.

With a 150-year history in the Cincinnati region, MSP is a diversified firm providing planning, architectural design, civil engineering, surveying, landscape architecture and facilities planning services to educational, public, private, institutional and non-profit sectors.
